English (United States) ▼

Help customers find you on Google Maps

Millions of people search Google Maps every day. A free listing on Google Maps makes it easy for them to find you.

Use the Local Business Center to create your free listing. When potential customers search Maps for local information, they'll find your business: your address, hours of operation, even coupons to print out and bring to your shop. It's easy, free, and you don't need a website of your own.

Add new business

Upload a data file

People search for products in your area...

Find your local listing...

...And connect to your business

Learn more about the Local Business Center

Reach new customers on Google Maps and Google.com

Local customers are already searching for the products and services you offer. Why not make it easy for them to find you on Google search and on Google Maps? The Local Business Center is the place to start.

Works great for businesses of any size

Whether you run a single dentist's office or dozens of coffee shops, manage all your listings from a single account.

Update your listing at any time

Use the Local Business Center to edit your listing whenever and however you like. Your Google Maps results will be updated in a few weeks, not next year.

Catch their eye with printable coupons

Google printable coupons are a free and easy way to bring in more business. You decide what your coupons should say, then customers print them out and bring them to your store.

People search Google Maps for a business just like yours.

Describe Your Business

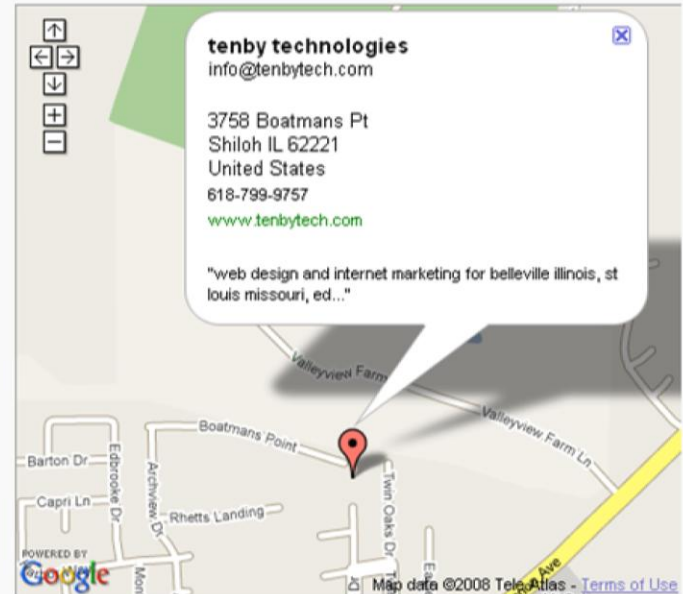

info@tenbytech.com | [Settings](#) | [Help](#) | [Sign out](#) | [English \(United States\)](#)

Enter your business information below. Your listing will appear to the right. This is just a first step. After this has been completed, you will be able to upload photos and videos, specify categories, payment options and business hours and much more.
